BUILDING SCIENCE WORKSHOP

PRESENTED BY NATIONAL EXPERT JOHN TOOLEY

Wednesday, September 20, 2006 — 8 a.m. to 4 p.m.

Mariposa Ballroom, Orange Tree Golf Resort
10601 N. 56th Street, Scottsdale AZ 85254

Continental Breakfast and Lunch Included

John Tooley has investigated over 10,000 callbacks. He uses his experience to show simple real-world solutions for avoiding failures and reducing callback expenses.

You will never look at a home the same way again after this training—guaranteed!

Learn how to improve home performance while reducing construction costs.

This **free** one-day course focuses on key construction details to help you avoid:

- Mold issues
- Energy bill complaints
- Durability failures
- Comfort callbacks

Everyone in your design and construction team should attend:

- Designers / Architects
- Framers / Masons
- Insulators
- HVAC Contractors
- Construction Supervisors / Superintendents

***All of the Top Ten builders in Phoenix have attended John Tooley's workshops.
Find Out Why!***
