

Sign up for AutoPay today and never worry about your APS payment being late

With APS' convenient AutoPay, you can have your payment automatically deducted from your bank account on the date it is due, so you'll never worry about your payment being late.

AutoPay also makes managing your money easier. With AutoPay, you'll receive an e-mail each month that includes the amount of your payment and the date the deduction will be made. We'll even notify you when your payment has posted to your APS account.

If you need to make changes to your AutoPay payment, it's simple and convenient because you can access your bill at **aps.com** and view or print current and past bills anytime, securely and easily. And, since everything is presented to you online, there is no need for us to send your monthly statement through the mail. So there is no more filing, shredding or wasting paper.

Make a New Year's resolution to stop worrying and sign up for AutoPay today at **aps.com**.
