

Pay your electric bill the secure,  
hassle-free way, sign up for SurePay.

Late payments. Finding stamps. Writing checks. Identity theft due to lost or stolen checks. **You can do away with all these worries and hassles when you sign up for APS' SurePay.** With SurePay, your bank automatically transfers the amount of your APS bill to your APS account when the payment is due. Each month, about 10 days before the transfer, we'll send you a copy of your bill so you'll always know in advance when the transfer will occur and the amount of your bill. SurePay saves you the inconvenience of writing checks, mailing payments and cost of postage. Since there are no more checks to write or mail, you eliminate the risk of lost or stolen payments and identity theft. And, with SurePay, your money stays in your bank until the day the payment is due.

**SurePay is secure, convenient and free. Visit [aps.com](http://aps.com), or call (602) 371-7171 or (800) 253-9405 to sign up for SurePay today.**
