

APS Landlord Services

*Convenient ways to manage
your property accounts*

Access your property information

When you maintain an active Landlord Agreement with APS, you'll be able to access your landlord account information at any time just by logging on to **aps.com**.

With APS Landlord Services, you can easily monitor who is currently responsible for the electric usage at any of your units and find out if a request to connect or disconnect service is pending and when it is scheduled to take place.

Using APS Landlord Services is simple. Just follow these directions and you'll have important account information available for all your properties at anytime.

Sign up

- You can obtain a Landlord Service Agreement Form through our Web site at **aps.com** at any APS Customer Office or by calling (602) 371-7171 (metro Phoenix area) or (800) 253-9405 (outside areas).
- For additional properties, complete the Property Description Form located on **aps.com** and include with your Landlord Agreement.

APS landlord services helps you:

- Receive quick, easy access to account information for units currently in your name.
- Verify when your tenants have applied for APS Service.
- Confirm who is currently responsible for the electric usage.
- Find out if a connect or disconnect request is pending at any of your units by receiving e-mail notifications.
- Receive APS News, monthly e-mail newsletters.
- Sign up for Autopay, have your payments automatically withdrawn from your checking or savings account each month.

To access landlord services online

- Go to **aps.com** and under the "APS Services for your Business" tab select "Landlord Services" from the drop down menu bar. ☺
