

**RATE SCHEDULE E-54  
GENERAL SERVICE  
SEASONAL SERVICE**

---

AVAILABILITY

This rate schedule is available in all territory served by the Company at all points where facilities of adequate capacity and the required phase and suitable voltage are adjacent to the sites served.

APPLICATION

This rate schedule is applicable to Standard Offer or Direct Access electric service billed under general service rate schedules (except as limited below) where the customer's requirements are distinctly of a recurring seasonal nature, and where the customer enters into an agreement for service with the Company for a sufficient period of time and guarantees payments of a sufficient amount (in no event less than \$603.49 in any 12 consecutive months) to justify the Company's expenses for installing service facilities and leaving them in place from season to season.

The application of this rate schedule is subject to the following limitations:

1. This schedule is applicable only to electric service otherwise eligible for Rate Schedule E-32.
2. Customers whose highest measured monthly kW for the calendar year occurs in the billing months of June, July or August are not eligible for this rate schedule.

RATES

Customers being served under this rate schedule will be billed in accordance with Rate Schedule E-32 with the following exception:

The minimum bill shall be the minimum specified in the otherwise applicable rate schedule, but not more than an amount sufficient to make the total charges for the 12 months ending with the current month equal to twelve times the minimum specified in the rate schedule as calculated on the highest kW established during the 12 months ending with the current month, or the minimum kW specified in an agreement for service, whichever is greater, but in no event less than \$603.49.
