Dear **Residential** Renewables Customer:

Subject: End of Year 2009 Grid Tied Inspection Scheduling

In an effort to help you plan for the year end, we would like to take the opportunity to advise you of the end of year interconnection scheduling policy for inspection/commissioning requests.

In order to remain eligible for a 2009 commissioning date, APS must have **received and approved** your interconnection application for your project by **November 18th, 2009**.

Inspections will be scheduled on a first approved, first scheduled basis.

If you have any questions regarding the status of your application, please feel free to give us a call at 602-328-1924 or email us at Renewables@aps.com. As always, we thank you for your continued partnership.

Sincerely,

Renewable Energy Incentive Program Team
