On January 7, 2008, Arizona Public Service Company (APS) filed with the Arizona Corporation Commission in Docket No. E-01345A-08-0010, a Resource Alternatives Application. As indicated in that application, APS is initiating a series of stakeholder meetings that are designed to seek input and feedback from interested stakeholders on resource planning issues and to build an understanding of APS' resource planning challenges.

The third stakeholder meeting is scheduled for April 11, 2008. Draft agenda items are provided below:

- Updates - Recent Developments
- Climate Change
- Resource Technology Comparisons

****Please note that the meeting location that was previously announced at the March 7, 2008, stakeholder meeting has been changed.**

The meeting will be held on April 11th, from 8:30 a.m. - 12:00 p.m. The new location is Room 2 South at the Arizona Public Service Corporate Headquarters, 400 N 5th Street, Phoenix, AZ 85004. This is the same location that the March 7 2008, stakeholder meeting was held.

If you plan to attend, please RSVP to ResourceAlternatives@aps.com by April 4, 2008, so that we can make advance arrangements with security to provide you with a badge.

APS anticipates holding future meetings approximately once every three to six weeks. Future agenda items will be discussed at the conclusion of each workshop. Stakeholder presentations relating to future agenda items are welcomed.

We look forward to your feedback and participation at these meetings.
