Interested Party:

On Tuesday, April 13, 2010, notice was sent that Arizona Public Service Company ("APS") would be holding a Resource Planning Stakeholder Meeting on May 7, 2010, in Room 2 South at the APS Corporate Headquarters, 400 N. 5th Street, Phoenix, Arizona 85004. This meeting will be held from 9:00 a.m. to 12:30 p.m. This Stakeholder Meeting is the second in a series of such meetings intended to provide a forum to facilitate stakeholder discussion regarding APS's Resource Planning process and planning challenges. APS is very interested in stakeholder input and would like to solicit discussion, comments, and suggestions from stakeholders at these meetings.

As a reminder, APS has a Resource Planning website that contains informational notices, presentation material, and documents related to previous resource planning filings where information can be reviewed. It is located at www.aps.com/resources.

The agenda for this second meeting is attached. All agenda items are intended to be "open discussion" format and interactive.

Please remember to RSVP if you plan to attend the May 7, 2010, Stakeholder Meeting. RSVP to ResourceAlternatives@aps.com by May 5, 2010, so that we can make arrangements with Security to provide you with a badge. Please allow extra time for security processing.

Also, regardless of whether you can attend the upcoming May 7 meeting, if you would like to remain on the distribution list for Resource Planning activities and meetings, please e-mail ResourceAlternatives@aps.com and ask that your name and contact information be added to the service list. This will be the last notice that goes out to parties other than those who have requested to be included in future mailings.
