RE: Arizona Public Service Application on Resource Planning
Docket No. E-01345A-08-0010

On January 7, 2008, Arizona Public Service Company (APS) filed a Resource Alternatives Application which indicated that APS is initiating a series of stakeholder meetings that are designed to seek input and feedback from interested stakeholders on resource planning issues and to build an understanding of APS' resource planning challenges. APS is filing notice of the fourth APS resource alternative stakeholder meeting.

APS has established a website to post information regarding the resource alternative stakeholder meetings at www.aps.com/resources. If you have any questions regarding this process or would like to be added to the service list, please send an email to ResourceAlternatives@aps.com.

Sincerely,

Barbara Klemstine

APS Resource Alternative Meeting Notice

Interested Party:

On January 7, 2008, Arizona Public Service Company (APS) filed with the Arizona Corporation Commission in Docket No. E-01345A-08-0010, a Resource Alternatives Application. As indicated in that application, APS is initiating a series of stakeholder meetings that are designed to seek input and feedback from interested stakeholders on resource planning issues and to build an understanding of APS' resource planning challenges.

The fourth stakeholder meeting is scheduled for May 9, 2008. Draft agenda items are provided below:

Topic	Presenter
APS Updates and Recent Developments Recent updates from APS.	Dr. Marty Rozelle, Facilitator
"A Clean Electric Energy Strategy for Arizona" The Western Resource Advocates report provides information about ways to meet resource needs with clean energy options.	David Berry of Western Resource Advocates and Amanda Ormond of the Ormond Group LLC
"Arizona Renewable Energy Assessment" The Black & Veatch report assesses the prospects for renewable energy development in Arizona.	Ryan Pletka, Black & Veatch
APS Resource Technology Comparisons A description of APS resource planning analysis for Renewables and Conventional Generation resource options.	Paul Smith, APS
APS Renewable Resource Plans APS update on APS' Renewable Energy Standard Implementation Plan and other renewable resource initiatives.	Barbara Lockwood, APS

The meeting will be held on May 9th, from 8:30 a.m. - 12:00 p.m. The location is Room 2 South at the Arizona Public Service Corporate Headquarters, 400 N 5th Street, Phoenix, AZ 85004.

If you plan to attend, please RSVP to ResourceAlternatives@aps.com by May 2, 2008, so that we can make advance arrangements with security to provide you with a badge.

APS anticipates holding future meetings approximately once every three to six weeks. Future agenda items will be discussed at the conclusion of each workshop. Stakeholder presentations relating to future agenda items are welcomed.

We look forward to your feedback and participation at these meetings.
