

What's Next?

- **Development of APS' Resource Plan:**
 - APS intends to develop the resource plan by approximately the end of this year
 - Report will be prepared and filed detailing:
 - Anticipated need for additional resources
 - Type and timing of resources
 - Expected transmission needs to support resource additions
 - Implementation steps
 - Areas requiring regulatory support to implement plan
- **Future Stakeholder Engagement:**
 - Stakeholder meeting prior to filing report
 - Plan for future stakeholder meetings:
 - Minimum of one per year (update meeting)
 - Others as needed based upon specific issues and plan implementation
