

Turn off your paper bill and you'll never receive an APS bill in your mailbox...

Life's cluttered enough. As a Sure Pay customer, you can enjoy the convenience of not worrying about your monthly payment. Now, with our paperless bill option, you can enjoy the time-saving convenience of reviewing your bill online and clearing up some of that clutter in your mailbox. You will receive an e-mail notice when your bill is ready to view online. And an electronic bill helps us save paper and envelopes which helps the environment.

**Less paper, less clutter — it's just a mouse click away. Register at [aps.com](http://aps.com) and select the option to turn off your paper bill today!**
