

## Palo Verde Generating Station Scholarship Program

### **APPLICATION DEADLINE: Friday, April 19, 2019**

The Palo Verde Generating Station is proud to announce the availability of the Palo Verde Scholarship for the 2019-2020 academic year.

This year Palo Verde will award four (4) \$1,000 scholarships to local high school seniors up to four (4) years. To maintain eligibility for all four (4) years, the student must maintain an academic cumulative G.P.A. of 3.0 or higher. If the student falls below a 3.0 G.P.A., the scholarship will be revoked and all future payments will cease.

The Palo Verde Scholarship Program provides financial assistance to deserving graduating seniors in the plant's surrounding community. This is done with the goal of supporting and improving the community in which it operates, specifically by providing resources which help young adults in the community improve their opportunities and meet their educational goals.

To be eligible, an applicant must:

3. Have a high school academic cumulative G.P.A. of 3.0 or higher (non-weighted).
4. Show involvement in school activities, extracurricular activities and/or community service.
