The Project will involve the construction of: (1) a new, approximately 2.75 mile-long 230kV line that will be built on double-circuit 230kV capable structures (230kV Circuit #1) that will connect the planned Bianco Substation to the existing Santa Rosa-Desert Basin transmission line to the northeast; and (2) a second, approximately 2.75 mile-long 230kV line that will be built on 500/230kV capable structures (230kV Circuit #2) that will connect the planned Bianco Substation to the existing Santa Rosa-Desert Basin transmission line to the north. The 230kV lines will be built on double-circuit capable

1 CHMN STAFFORD: Let's go on the record.

2 Now is the time set for the prefiling conference for the
3 APS Bianco 230-kV project. Let's start with appearances,
4 Mr. Derstine and Ms. Benally.

5 MR. DERSTINE: Matt Derstine, appearing on
6 behalf of Arizona Public Service Company.

7 MS. BENALLY: Linda Benally, on behalf of
8 APS.

9 CHMN STAFFORD: All right.

10 MR. DERSTINE: And I don't know if Robin
11 wants -- does Robin need us to walk through the
12 appearances or you've got that down?

13 CHMN STAFFORD: We've got their names but
14 just tell us who they're with.

15 MR. DERSTINE: Okay. So we have Devin
16 Petry with SWCA, the environmental consultant for this
17 Bianco project; Kevin Duncan, he's the APS senior siting
18 consultant; Lupe Martinez, APS siting consultant; Jason
19 Spitzkoff, APS's manager of strategic transmission. I
20 think also joining us is Kelly Spence with APS state
21 regulatory team; Cindy McCoy, paralegal for APS, or Pinn
22 West legal department.

23 And I think that's -- that's all that's on
24 my list who is on the call today unless I -- if I missed
25 anyone, please speak up and note your appearance and

1 state your position.

2 MS. AUSTIN: Meaghan Austin, with SWCA
3 support --

4 MR. DERSTINE: Oh, Meaghan, I apologize. I
5 didn't have you on my list. All right.

6 MS. AUSTIN: Thank you.

7 MR. ROBINSON: And Matt Robinson,
8 supervisor of transmission planning at APS.

9 MR. DERSTINE: Thanks.

10 CHMN STAFFORD: And Ms. Benally.

11 MS. BENALLY: Linda Benally with APS.

12 CHMN STAFFORD: Has there been much public
13 interest in this project so far?

14 MR. DERSTINE: I don't know.

15 Lupe, you want to speak to that?

16 MS. MARTINEZ: Yes.

17 Good afternoon. Yes, we've done our public
18 outreach and we have -- didn't get a lot of pushback from
19 the community. Most of the comments are in favor of the
20 project.

21 CHMN STAFFORD: I have three prefiling
22 exhibits, would you like to talk us through those,
23 please?

24 MR. DERSTINE: Yes. I think Exhibit 1 is
25 our project area and corridor map; Exhibit 2 is our

1 proposed Notice of Hearing; and Exhibit 3 is our proposed
2 sign location map.

3 CHMN STAFFORD: And there's five signs on
4 there?

5 MR. DERSTINE: I think that's right, yes.

6 CHMN STAFFORD: All right. So the Notice
7 of Hearing, what will that be published in for the
8 notice?

9 MR. DERSTINE: So we're looking to publish
10 in the Casa Grande Dispatch on December the 16th and
11 December the 20th. That's based on our application
12 filing date of Friday, December the 12th. And if we're
13 able to -- I know you're in the midst of a hearing -- but
14 if we could get our signed Notice of Hearing and so that
15 we can get it to the Casa Grande Dispatch by the 10th, or
16 sooner, that would allow us to meet our publication
17 deadline.

18 Did I have that timing right, Ms. Martinez?

19 MS. MARTINEZ: Yes, that's correct.

20 CHMN STAFFORD: Oh, so you mean by
21 December 10th, you said?

22 MS. MARTINEZ: Yes.

23 CHMN STAFFORD: Okay. All right.

24 MS. BENALLY: And, Mr. Derstine, I want to
25 ask Ms. Martinez if the publication date of December 16

1 is correct? Is it December 16 or December 18 for the
2 first publication?

3 MS. MARTINEZ: The 16th.

4 MS. BENALLY: Okay. Thank you.

5 MS. MARTINEZ: You're welcome.

6 CHMN STAFFORD: And tell us about your
7 social media outreach for the project.

8 MR. DERSTINE: Ms. Martinez or Mr. Duncan,
9 can you speak to that?

10 MS. MARTINEZ: Sure. I can speak to that.
11 Just give me one second here. So -- go ahead.

12 MR. DERSTINE: Go ahead. I was just going
13 to say, I think we've used social media to publicize our
14 open houses, but you may want to go into more detail of
15 timing and cadence of those.

16 MS. MARTINEZ: Yeah. So what we have done
17 for public engagement was we had two open houses. We
18 sent newsletters out, three -- two, to be exact, we'll
19 have one coming out in January. We've done the
20 traditional newspaper ads and social media. We've
21 specifically used Facebook and Instagram to promote the
22 project, as well as a project website that we have
23 developed and it's up to date. And we've had some public
24 briefings that are included in our outreach.

25 CHMN STAFFORD: All right. So I assume

1 you're reaching out to -- through Facebook and Instagram
2 to about a mile radius of the project, the center line of
3 the project?

4 MS. MARTINEZ: Yeah, we did a 10-mile
5 radius.

6 CHMN STAFFORD: 10-mile, okay.

7 MS. MARTINEZ: Uh-huh.

8 CHMN STAFFORD: All right. And you'll
9 continue to use those efforts to notify the public about
10 the hearing once it's set, correct?

11 MS. MARTINEZ: Correct.

12 CHMN STAFFORD: Okay. And what are the
13 locations where you'll put the physical copies of the
14 application, transcripts?

15 MR. DERSTINE: I think we're -- you know,
16 we're currently looking to place the applications with
17 the Casa Grande Main Library and the Vista Grande
18 Library, both of those are within the city of Casa
19 Grande.

20 CHMN STAFFORD: All right. And what are
21 the affected jurisdictions?

22 MR. DERSTINE: Those would be Pinal County,
23 City of Casa Grande, and Arizona Department of
24 Transportation.

25 CHMN STAFFORD: All right. So the hearing,

1 where will we be doing it, the location?

2 MR. DERSTINE: Your favorite home away from
3 home, the Radisson Hotel Casa Grande.

4 CHMN STAFFORD: No Francisco Grande this
5 time, huh?

6 MR. DERSTINE: Not for us, no.

7 CHMN STAFFORD: I don't believe you guys
8 have done that one, but that's like the second choice for
9 the area.

10 MR. DERSTINE: Yeah, and definitely not in
11 the summer months for sure, right?

12 CHMN STAFFORD: No, that's -- yeah, in the
13 summer months it's a no-go, but I think it would be
14 tolerable this time of year.

15 So what's the hearing date we're looking
16 at?

17 MR. DERSTINE: Our hearing date, we're
18 looking at -- well, it's noticed for five days, starting
19 Monday, January the 26th through January the 30th. I
20 believe I have that right.

21 CHMN STAFFORD: Well, let's hope it doesn't
22 take that long.

23 MR. DERSTINE: Right.

24 CHMN STAFFORD: You'll have accommodations
25 for the out-of-town committee members at the Radisson,

1 correct?

2 MR. DERSTINE: Yes.

3 CHMN STAFFORD: Okay. And then the virtual
4 length for the hearing, can you get that to Tod by the
5 time of the prehearing conference so we can get it
6 distributed to members? Some -- we've had a lot of
7 hearings lately, so some may be looking to attend
8 remotely, as opposed to in person.

9 MR. DERSTINE: All right. We'll do that.

10 CHMN STAFFORD: Okay. And then have a plan
11 for a tour by the time of the prehearing conference filed
12 in the docket. I think once we get the application,
13 we'll see what the feeling is if we actually do one or
14 not, but just have a plan by the time of the prehearing
15 conference. If we do it, then we would probably, per
16 standard course, do it that Tuesday morning.

17 All right. Tod, what's the date for the
18 prehearing conference?

19 MR. BREWER: Prehearing conference is
20 January the 21st at 11:30, Mr. Chairman.

21 CHMN STAFFORD: Are there any related
22 litigation disputes to this project?

23 MR. DERSTINE: No.

24 CHMN STAFFORD: So you're looking to file
25 December 12th. I'll draft the Procedural Order. Yeah,

1 provide the draft -- the draft CEC by the time of the
2 prehearing conference, reference prior CECs, do the
3 public comments 5:30 on the first day. Sounds like that
4 will be sparsely attended.

5 MR. DERSTINE: I think that's the
6 anticipation, yes. I'm not going to keep you until 8:00.

7 CHMN STAFFORD: What about -- is there any
8 public officials that would be interested in speaking
9 toward -- about the project?

10 MR. DERSTINE: I don't know.

11 Ms. Martinez, are you aware of any?

12 MS. MARTINEZ: No, nothing -- no one of
13 concern just yet. Hopefully not.

14 MR. DERSTINE: Unless they're speaking in
15 support, right?

16 MS. MARTINEZ: Yes.

17 CHMN STAFFORD: All right. Are there any
18 permits that are pending or that will need to be obtained
19 for the project beyond the Certificate?

20 MR. DERSTINE: Mr. Petry or Mr. Duncan,
21 I -- can you speak to that?

22 MR. PETRY: Yes, Mr. Derstine.

23 So the permits likely required would
24 include crossing permits for the canals that exist in the
25 area, and that would be a crossing permit with the San

1 Carlos Irrigation and Drainage District and the Bureau of
2 Indian Affairs San Carlos Irrigation Project. We would
3 also expect to see some right-of-way use permitting --
4 permit requirements with both Pinal County and the City
5 of Casa Grande for crossing over their riverways and/or
6 potential right-of-way encroachments.

7 CHMN STAFFORD: But the line itself is
8 permitted use for the County?

9 MR. PETRY: And the City, yes.

10 CHMN STAFFORD: And the City, okay.

11 All right. So there will be standard setup
12 for the hearing with Peaks Audio for the WiFi and the
13 tablets for exhibits for the members, remote access, and
14 all that regular stuff we have?

15 MR. DERSTINE: Yes. We'll make sure you're
16 well-equipped.

17 CHMN STAFFORD: All right. And what's the
18 amount of the filing fee for this application?

19 MR. DERSTINE: I think it's the standard
20 thousand dollars we have for this project again.

21 CHMN STAFFORD: Okay. The Commission's
22 obligated by statute to pay the cost of reporting and
23 transcribing any application hearing, as well as the
24 actual and necessary expenses incurred by the committee
25 members in connection with their participation in the

1 meetings from that filing fee. Costs and fees exceeding
2 the amount of the applicant's fee may, at the applicant's
3 consent, be incurred by the committee and charged to
4 applicant.

5 Does the applicant consent to pay the
6 Commission these costs in excess of the filing fee?

7 MR. DERSTINE: Yes.

8 CHMN STAFFORD: So the standard three days
9 after the hearing for the transcripts.

10 Is there anything else we need to cover?

11 MR. DERSTINE: Ms. Benally, or anyone on
12 the call, have we missed anything or something you'd like
13 to touch base with the Chairman about?

14 MS. BENALLY: I do not. I do appreciate
15 the Chairman's attention to getting the Notice of Hearing
16 signed by no later than December 10th, so we can meet the
17 publication date. I appreciate that.

18 CHMN STAFFORD: Okay. And one of your
19 exhibits was a Word version of the Notice of Hearing,
20 correct?

21 MS. BENALLY: We will provide the Word
22 version to Mr. Brewer, but the PDF version is what we
23 filed --

24 CHMN STAFFORD: Okay.

25 MS. BENALLY: -- as an exhibit.

1 CHMN STAFFORD: Okay. All right. Yeah,
2 just get Tod the -- the sooner you get him the Word
3 version, the sooner we can get it prepped for you to
4 publish.

5 MS. McCOY: I will send it over today.

6 CHMN STAFFORD: Excellent. I'll have it to
7 you before the 10th, but --

8 MS. McCOY: Perfect.

9 CHMN STAFFORD: -- this week is looking
10 pretty busy.

11 MR. DERSTINE: Right.

12 CHMN STAFFORD: Anything else, Tod?

13 MR. BREWER: No, Mr. Chairman. Thank you.

14 CHMN STAFFORD: All right. And you've got
15 everything you need, Robin?

16 THE REPORTER: Yes.

17 CHMN STAFFORD: Thank you very much.

18 MR. DERSTINE: Mr. Chairman, I was just
19 going to say, I assume you're not going to be at the open
20 meeting tomorrow?

21 CHMN STAFFORD: No, this hearing's still
22 going on.

23 MR. DERSTINE: Right.

24 CHMN STAFFORD: I'm hoping to have it done
25 by the end of the week. Hopefully Thursday. We'll see.

1 I mean, we did do a tour. It's a lot of questions. It's
2 a hot -- hot bench from the committee on this one, so --

3 MR. DERSTINE: Understood. All right.

4 Well, thank you so much.
