

APS SAFETY NET PROGRAM

Get a friendly reminder when your bill is due.

The APS Safety Net program allows you to designate a friend, relative or community agency to also receive a copy of your monthly APS bill as a safeguard. Then your Safety Net partner can remind you when your payment is due or bring any late bills to your attention. It's a free and easy way to help avoid overdue APS bills and any disruption of service. Learn more at aps.com/safetynet.
