

25% off your energy bill.

This month. Next month. Every month.

Energy Support program: 25% off your energy bill.

If you need help paying your energy bill, we can help. Qualified customers get a 25% discount every month. What's more, participation in the Energy Support program does not affect any public assistance benefits you may currently receive.

To see if you qualify for 25% off, visit aps.com/assistance.

Customers must have a gross monthly household income at or below 150% of the federal poverty guidelines to qualify for the Energy Support program. The 25% discount will be deducted from the monthly bill prior to the application of taxes, regulatory assessment, and franchise fees. Program is subject to change. Other restrictions may apply.
