A little help from a friend.

Safety Net program: Pick a friend to remind you about your APS bill.

With our Safety Net program, you can get bill reminders from a friend.

Have you heard about our Safety Net program? You can designate a friend, relative or community agency as your Safety Net partner. Here's how the program works:

- You select a Safety Net partner
- Your partner receives a copy of your APS bill too
- Your Safety Net partner can remind you when your payment is due or bring any late bills to your attention

Your Safety Net partner will not have access to your account and is not responsible for paying your bill. You stay in control of your APS account with added peace of mind knowing you won't miss a payment.
