

A young girl wearing a grey hat and a white shirt is holding a yellow and black spray nozzle, spraying water towards a man. The man is lying on a white couch, wearing a red and black patterned shirt, and has his arms raised in a playful gesture. The background shows a house and some greenery.

Looking for ways to
manage your summer
energy bills?
We can help.

When it comes to beating the heat and saving, you've got options.

Here are just some of the many ways to manage your bill:

- Make sure you're on the right plan for your household
- Take the Energy Analyzer survey to find customized savings
- Use a smart thermostat to help manage cooling costs (\$30 rebate on qualifying smart thermostats)
- Find tips to save money and energy throughout the house

Register your account to save time and money

When registered, you can do more than just pay your bill. You can also easily access money-saving tools, tips and resources today and all year long.
