

SMART THERMOSTAT

**A \$30 rebate is
just the start of
your savings**

Get \$30 back with the purchase of a qualifying smart thermostat

Managing energy bills is easier with a smart thermostat. Set it to maintain the ideal temperature automatically. That way, you'll stay comfortable and save money at the same time. Learn more at aps.com/thermostat.

Enroll in Cool Rewards or Rush Hour Rewards for more savings

Participation is simple. During events, which occur on some of the warmest summer days, we'll adjust your smart thermostat a few degrees. When you enroll, get a one-time \$50 bill credit and an annual \$25 credit per thermostat. Learn more at aps.com/byot.
