

A photograph of two women, one younger with dark hair and one older with grey hair, both smiling warmly at each other. The younger woman is wearing a green tank top, and the older woman is wearing a blue and white floral shirt. They are positioned in the upper right portion of the frame, with a blue diagonal graphic element separating them from the white background below.

Project SHARE

Get help paying
your energy bill.

Or help someone
pay theirs.

Project SHARE: Get up to \$300 in temporary bill assistance.

During these difficult times, we understand some of our customers may need assistance with their energy bill. To help, we offer a large variety of assistance programs and resources, including Project SHARE with emergency bill assistance for families facing severe financial hardship.

We offer this temporary help for qualified customers in partnership with The Salvation Army. If you don't need assistance, but want to help Arizona families who do, you can make a donation to Project SHARE on your APS bill.
