

A photograph of a woman and a man looking at a laptop screen together. The woman is on the left, wearing a white top and a necklace, and the man is on the right, wearing glasses and a dark shirt. They are both smiling and appear to be engaged in a conversation. The background is slightly blurred, showing what looks like a wooden structure.

Weatherization Assistance program

No-cost energy-efficient
home improvements

Weatherization Assistance program could help lower your energy bill.

APS customers who own a home on Navajo or Hopi tribal land may be eligible for no-cost energy-efficient home improvements that could help lower your energy bill, including:

- Air sealing
- Improved insulation
- Heating, cooling and air quality

The energy-efficient improvements are made through Red Feather Development Group. To learn more and see if you qualify, call Red Feather at [928-440-5119](tel:928-440-5119).

More ways to save on your energy bill

Our Energy Support program offers qualified customers a 25% discount on their energy bill every month. To see if you qualify and find other assistance resources, visit aps.com/assistance.
