

Your style. Our low price.

Get a smart thermostat as low as \$0*

Save money on your energy bill — a smart thermostat can help.

Smart thermostats work with your APS plan to help you save energy and money. Using your smart phone or device, you can automatically adjust the thermostat to take advantage of lower-cost off-peak hours.

Smart thermostats from \$0* at APS Marketplace.

Compare and buy smart thermostats at APS Marketplace. You'll save with instant rebates, discounts and special offers. Also compare prices on other energy-efficient appliances and electronics.

Visit myaps.store/thermostats and enroll in our Cool Rewards program at checkout for your \$0 smart thermostat.

Cool Rewards program

The program runs from June 1 to September 30 and helps conserve energy during times when energy usage is at its highest. Learn more at aps.com/coolrewards.

* Must pay shipping and taxes. Requires enrollment in our Cool Rewards program to get special pricing. Limited to five rebated thermostats per account. Limited time offer. Good while supplies last. Actual savings may vary.
