Get started with a Home
Performance with
ENERGY STAR® Checkup

Save up to 30% on your energy bill.

Learn where your home is wasting energy and money with a Home Performance with ENERGY STAR® Checkup. A participating contractor will diagnose every room in your home and you'll receive a customized report of money-saving recommendations. Plus, you'll learn how to improve your home's air quality and comfort. All for as low as \$99.

The contractor will check:

- HVAC
- Ductwork
- Weather stripping
- Windows
- Lighting
- And more
- Insulation
- Water heater

Get rebates and tailored savings tips — schedule your Home Performance with ENERGY STAR® Checkup today at aps.com/checkup.
