Find a Trade Ally

Start your energy-saving journey with our trusted network of **Trade Allies** (TAs). These qualified contractors know how to utilize APS Solutions for Business and Multifamily Energy Efficiency program rebates to ensure you receive maximum savings. TAs specialize in various equipment and technology types allowing you to find the perfect contractor for your project. Find a TA today at aps.com/s4b.

Spring in your step

Gain confidence when you prepare your facility for higher temperatures with these HVAC tips. Find more tips for your business at aps.com/biztips.

- Schedule routine cleaning and repair to extend equipment life.
- Clear blocked vents which can contribute to up to 25% in energy savings and improve air distribution.
- Choose HVAC units with higher **Energy Efficiency Ratio** (EER) and **Seasonal Energy Efficiency Ratio** (SEER) values to help improve operation efficiency.
- Replace 10+ year old equipment nearing the end of useful life to help reduce maintenance expenses and improve performance.

Community Corner: West Valley Grants

Starting next month, APS will begin accepting grants for its annual **West Valley Grants** program to help nonprofits combat critical community issues and make a difference in the lives of Arizonans. For more than 20 years, APS has granted funds to nonprofits that support growth and community needs in the West Valley. Nonprofits with 501(c)(3) status that serve in the areas of arts and culture, community development, education, environment or human services are eligible. The funds are available through Arizona Community Foundation and awarded to organizations providing services in Arlington, Buckeye, Glendale, Surprise, Tonopah, west Phoenix and surrounding areas. Applications are open from April 1 through April 30. For more information and to apply for an APS West Valley Grant, please visit azfoundation.org.*

Free programs to help you manage your energy bill

Embrace the ease of doing business when it comes to paying and managing your energy bill. Consider combining the three programs below, so you can enjoy a predictable monthly bill, paid automatically when it's most convenient for you on the date you choose.

Budget Billing: Pay about the same each month for a more predictable bill. Sign up at aps.com/bizbudgetbilling.

AutoPay: We will automatically withdraw your amount due using the payment method of your choice. Enroll today at aps.com/bizautopay.

Preferred Due Date: Choose a bill due date that works best for your schedule and budget. Choose your date at aps.com/bizduedate.

Yearn to learn

Join us on **Wednesday, April 23**, for our free webinar about Energy Information Services. Learn how to track and analyze energy usage data to optimize your energy use and reduce costs. On **Wednesday, May 21**, discover ways to maximize your savings with our Energy Efficiency Best Practices webinar. Register and view past webinars any time online at aps.com/training.

The right business plan

Your business is unlike any other. That's why we offer rate plan options that are tiered to fit your unique energy needs. We'll assign you to the right level based on your summer peak energy use, then you can choose between a non-time-of-use or time-of-use plan. Learn more at aps.com/plans or call our **Business Line at (602) 371-6767 or (800) 253-9407** to talk through your options.

WE ARE HERE FOR YOU

24 hours a day, 7 days a week
(602) 371-7171 (metro Phoenix)
(800) 253-9405 (other areas)
between 7:30am and 5pm

*This program is funded by APS shareholders and not included in customer rates.
