Save on Memorial Day

You'll save with off-peak rates all day on **Memorial Day, Monday, May 25**, if you're on one of these plans:

- Time-of-Use 4pm-7pm, Weekdays
- Time-of-Use 4pm-7pm Weekdays with Demand Charge
- EV Overnight Charging 11pm-5am Weekdays
- Saver Choice Plus

For a full list of off-peak holidays, visit aps.com/plans.

Compare plans and save

"It was easy, it is clear and understandable and my bill is lower..."

— APS customer

You don't have to guess which rate plan would have saved you the most money, just look for the **Monthly Plan Comparison** on your bill. To learn more about your lowest-cost plan, sign in at aps.com/compare or call us at **(800) 253-9405** for help.

Tips for spring savings

Now that spring is here, it's a good time to have your HVAC system serviced. Annual maintenance keeps your unit running efficiently and can prevent costly repairs. You can make your home more energy efficient by sealing around doors, windows and sill plates — anywhere outside air might enter your home.

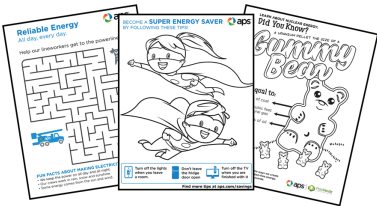

Giving back to our planet and communities

Help celebrate Earth Day and National Volunteer Month in April with the APS Community Tree program. We're proud to offer grant funding to qualified organizations for community-based tree planting projects in high-need areas across Arizona so they can receive the benefits trees provide. Grants are provided to nonprofits, cities, towns and school districts within the APS service territory – and behind every tree planting is a group of APS employees and community volunteers. Apply for funding at aps.com/communitytree.*

Free STEM activities available

For the bright learners in your life, you can access free STEM resources online. Just in time for summer break or a classroom activity, you can print these on scrap paper or double-sided to be extra eco-savvy. Visit aps.com/education to download and find more information about our community initiatives.

CARE for customers

APS CARE continues to grow. And we're proud to join in the giving by **matching the total of all donations made — up to \$500,000** — from January 1 through December 31, 2026 (funded by APS shareholder dollars with no impact to customer bills.) Donations are distributed by our partner, The Salvation Army, to APS customers in need, helping them stay on top of their energy bills. To learn more or donate through your monthly bill, visit aps.com/care.

Energy Support program

If you need help paying your energy bill or know someone who does, our Energy Support program may help. Customers who meet the program's income guidelines could save up to 25% or 60% on their energy bills every month. See if you qualify at aps.com/assist.
