

**ADJUSTMENT SCHEDULE DSMAR
DEMAND SIDE MANAGEMENT ADJUSTOR REFUND**

APPLICATION

The Demand Side Management Adjustor Refund (DSMAR) will be applied to all Customer bills, except those currently exempted from the DSMAC surcharge, as a one-time credit during June, 2020 cycle bills.

DESCRIPTION

The DSMAR credit allows the Company to refund dollars collected but unallocated through the DSMAC surcharge.

CHARGES

The credit will be calculated at the following rate:

DSMAR Credit	\$(0.016280)	per kWh
--------------	--------------	---------

SERVICE DETAILS

1. The DSMAR will be effective as a one-time credit applied June, 2020 cycle bills, and will end thereafter.
2. All terms and conditions in the Customer's rate schedule continue to apply to electric service provided under this adjustment schedule.
