

**RATE SCHEDULE E-20
CLASSIFIED TIME-OF-USE SERVICE
FOR RELIGIOUS HOUSES OF WORSHIP**

AVAILABILITY

This rate schedule is applicable to non-taxable religious houses of worship.

The Company may request a copy of the Internal Revenue Service letter in which the Customer's non-taxable status as a religious organization is determined. Customers also agree to provide the Company a copy of any Internal Revenue Service letter which changes or supersedes that tax status determination.

DESCRIPTION

This rate schedule is specifically for places of worship. It is only available to the actual sanctuary or principal place of worship, and does not apply to separate or combined facilities such as kitchens or meeting rooms.

This rate has three parts: a basic service charge, a demand charge, and an energy charge. The energy charge will vary by season (summer or winter) and both the demand and energy charge will vary by the time of day that the energy is used (On-Peak or Off-Peak).

TIME PERIODS

On-Peak hours: 11:00 a.m. to 9:00 p.m. Monday through Friday.
 Off-Peak hours: All remaining hours.
 Summer season: May through October billing cycles
