RATE RIDER LEGACY E-4
RESIDENTIAL MEDICAL CARE EQUIPMENT SUPPORT PROGRAM

AVAILABILITY

This rate rider is available to residential Customers who qualify for the solar grandfathering program and meet the requirements of the Medical Care Equipment Support Program.

DESCRIPTION

The Medical Care Equipment Support Program provides a monthly bill discount for Customers with a gross monthly household income at or below 200% of the federal poverty guidelines or those receiving assistance from an APS approved limited income assistance program and who require qualifying life-sustaining medical equipment.

Eligibility for this rate rider will be frozen on September 1, 2017. This means no new Customers will be served under this rider on or after that date, and any Customer that discontinues participation in the Medical Care Equipment Support Program or the solar grandfathering program cannot return to this rider at a later date.

A residential Customer may remain on this rate rider for up to 20 years from the date their solar generator was interconnected to the Company’s distribution grid. After that time, the Customer will not be eligible for a grandfathered solar Legacy rate or this rate rider.
