Light Up the Holidays with LEDs
LED lights are a bright choice for the holidays. Not only do LED holiday lights use far less electricity than incandescent bulbs, they’re safer, sturdier and longer-lasting.

LIKE YOU, WE CALL ARIZONA HOME
Meet Anne, Rose, Philip and others who are helping shape a sustainable energy future for the state we love. Visit our website to watch a piece of their Arizona stories.

“I’d rather be outdoors than anywhere else.”
Anne Carlton. Hiker. Mother. APS Environmental Scientist.

“Keep doing the things that make you happy.”

“There’s always something to explore, each and every day.”

A Smart Way to Manage Your Home Energy

Today, you have more ways than ever to be energy efficient — including using a smart thermostat. Combined with the APS Cool Rewards program, your smart thermostat is a great tool to better manage your energy use and stay cool. If you enroll now, you can receive a $25 bill credit per qualifying thermostat.
