Women Build

We’re a proud supporter of Habitat for Humanity and its new “Women Build” program. This special project is designed to promote female empowerment, build a sense of community and raise awareness of low-income housing challenges, particularly for single mothers.

Beware of Scams Targeting Utility Customers

If someone calls, texts, emails or appears at your home demanding immediate payment of your utility bill and threatening to cancel your service, it’s most likely a scam. Please be aware that we never contact our customers to demand immediate payment. If you do receive a call, please hang up and immediately call us at the number on the bottom of this newsletter or on your bill to report the scam.

Taking Down Holiday Lights?

Remember these safety tips:

• Make sure all lights are unplugged before removing them
• Never remove strings of lights by pulling on the wires—this could stress the connections and create a fire hazard
• Discard strands of lights with cracked, frayed or damaged wires
