RE: Arizona Public Service Company's Preliminary 2017 Integrated Resource Plan
Updated Notice of Stakeholder Meetings
Docket No. E-00000V-15-0094

Arizona Public Service Company (APS or Company) provided notice on January 22, 2016 that it will be holding a Resource Planning Stakeholder Meeting on February 9, 2016 at the University of Arizona Auditorium in downtown Phoenix.

There may be a larger than originally anticipated number of stakeholders participating in the workshop on-line; in order to accommodate those participants, APS needed to update its WebEx meeting. Please use the following updated link to join the WebEx meeting on February 9, 2016: https://pnw-meeting.webex.com/pnw-meeting/onstage/g.php?d=824290198&t=a. You may also call into the workshop using the Toll Free number 1-877-387-3495, Conference Code 7765932651.

It has also come to APS's attention that there was a broken link in the RSVP mailbox; this has been corrected. If you plan to attend the meeting, and have not already done so, please RSVP by February 4, 2016 to the updated mailbox: ResourcePlanning@aps.com.

A meeting agenda and other information related to APS's resource planning process can also be found at www.aps.com/resources.

If you have any questions, please contact: ResourcePlanning@aps.com.

Sincerely,
